

WHAT IS INAPROPRIATE BEHAVIOUR?

Although these definitions are not exhaustive, they are intended to be used as a guide by teachers when deciding on how to respond to inappropriate behavior.

Behavior that may result in a reminder– off task, calling out, out of seat, self-distraction, not cleaning up after self, forgetful, disorganised, delay in following instructions.

Behaviour that may result in steps- not following instructions, distracting others, inappropriate language, unsafe movement such as running and jumping inside, leaving the classroom without permission, interfering with others' property, not keeping hands to self, not respecting personal space of others, general disrespect for example arguing with a teacher, behaviour that impacts on own safety.

Behaviour proceeding straight to step 5 class and step 3 yard – repeated inappropriate behavior, physical aggressions, violence or threats of violence, bullying, harassment, shouting or screaming, damaging others' or school property, leaving school grounds, repetitive defiance, behaviour that impacts on the safety of others.

POSITIVE BEHAVIOUR

Positive behaviour decisions based on our school values will be acknowledged and recognised in a variety of ways:

- Recognition at assemblies including star awards and terrific kid awards
- Trust licences
- School ambassadors and leaders
- Citizenship award

Teachers will use **Play is the Way** language and assist students in developing their understanding of a growth mind set.

Step 1—Reminder

Step 2—Warning -clarification/counselling

Step 4—Time Out another class then re-entry and counselling

Step 5—Principal or deputy
