

Sturt Street Community School Strategic Directions 2016-2020

<p>Our Collective Purpose:</p>	<p>Our Values:</p>			
<p>Sturt Street Community School will be a thriving inner-city school. We will empower students and staff to succeed in their professional and personal lives.</p> <p>We act to fulfil the Strategic Directions: to be innovative, engaging, academic & inclusive.</p>	<p>Respect</p> <p>individual abilities, qualities & achievements will be admired by students, staff and the school community</p>	<p>Integration</p> <p>bringing all parts of the school community together to provide equal participation</p>	<p>Diversity</p> <p>valuing the unique qualities of each individual</p>	<p>Excellence</p> <p>outstanding qualities in all areas</p>
<p>Our Strategic Directions: innovative, engaging, academic, inclusive</p>				
<p>Innovative - original and creative in thinking.</p>		<p>Engaging – full involvement in learning</p>		
<p>We will equip students with the capacity to think, solve problems and respond to and thrive within a changing society.</p> <p>We will ensure this through - 21st Century pedagogy (collaboration, critical thinking, creativity and communication), continual development of 1:1 ipad program, targeted training & development, integration of The Arts, developing flexible learning spaces, STEM.</p>		<p>We will provide authentic learning that is student-centred and ensures access to the entire curriculum.</p> <p>We will ensure this through - active involvement in Adelaide/Prospect projects & initiatives such as TfEL project/ Teach On/Transforming Tasks and Natural Maths training, increasing opportunities for excursions/incursions by utilising our city connections, play-based/challenge-based learning tasks, integration of 1:1 ipad program that highlights use of multi-media.</p>		
<p>Academic – higher learning pursuits</p>		<p>Inclusive – open to all</p>		
<p>We will build a rigorous learning culture that promotes academic success.</p> <p>We will ensure this through - Powerful Learners, Growth Mindset, regular monitoring of student achievement, involvement in curriculum mapping & Adelaide-Prospect partnership initiatives, the development and implementation of shared understandings about curriculum (agreements),</p>		<p>We will nurture and value our school community and ensure opportunities are available to all.</p> <p>We will ensure this through - celebrations (Reconciliation Week, Harmony Day, Anti-bullying Day), embed Play is the Way program, ensuring school information is accessible in a range of languages, training & development opportunities to target the needs of all students, the creation of flexible learning spaces, regular monitoring of Students With Disability data, regular NEP updates and meetings.</p>
